

Everyone Benefits From A Fresh Perspective

The industry is all about freshness. But that doesn't stop with the products you sell. Freshness is also essential in your **thinking, efficiency improvements and process approaches.**

To keep growing, even a successful company within the supply chain can use the **fresh perspective of Produce Pro's Consulting Services.**

Committed to Improving Operations And Profits

Whether you are a Produce Pro Software user or not, we're committed to helping our customers **maximize their effectiveness on every level.** We specialize in identifying and correcting the areas of your operations that can generate greater returns by implementing cost effective solutions.

Identifying Changes And Implementing Improvements

Many companies outgrow their current processes and we can pinpoint those situations. But the Produce Pro team does much more than identify changes. We also assist your company in effectively implementing improvements. And we help with follow through so you continue on a new track to continued growth and success.

FIRST We Listen To Your Goals.

Then We Offer Solutions That

LAST.

The Power Of Proven Best Practices

Regardless of the areas within your business you want to focus on, our consulting staff will offer **proven best practices**. These were developed through working with hundreds of companies in the produce and perishables industry, yet can be tailored to the needs of your business.

That's key, because your business benefits from **ideas and enhancements that are already working effectively** in similar operations.

The Expertise Of Industry Professionals

Like you, we've spent our careers in this industry. That means you're working with **professionals who truly understand** procurement, inventory, warehouse management, labor standards and other vital areas of your operations.

As a result, our team is ready to provide deep and broad consulting services tailored to your individual business. It's all designed to help you streamline your day-to-day operations and ultimately **boost your bottom line**.

That makes Produce Pro consulting a combination of **insights, ideas and expertise** that helps smart businesses grow even more successful.

Why Our Customers Choose Produce Pro

"You have brought forth tangible recommendations that I believe will have **immense and long lasting value** for our company."

- Mike Kamphaus, President and CEO,
Peirone Produce Co.
