

Produce Pro Analytics

Puts Powerful, Interactive Business Intelligence At Your Fingertips

As a decision-maker, you need **reliable, comprehensive** information about your business...and gaps in your knowledge can be costly.

That's where Produce Pro Analytics, our **fully integrated**, Web-based executive dashboard tool, can help you the most.

With the power to create an array of charts, graphs and drill-down reports at your disposal, you'll discover new facets in your company's performance – and you'll be even better prepared to drive **its success**.

- Browse, summarize and "slice and dice" Produce Pro data with **fast, easy-to-use, easy-to-read** tools
- Trace **high-level metrics** such as profitability and revenue; identify cost-saving opportunities
- **Anticipate changes** that could affect business: market fluctuation, trends, seasonal variation
- Generate **customized reports**; export to a variety of formats, such as PDF, HTML, excel, text

Use **customized dashboards** to help supervisors analyze their departments and motivate their employees.
