From Aptean

Go Paperless with a Real-Time Delivery Optimization Tool

Reliable, responsive delivery of fresh products matters to your business and your customers. The Produce Pro Software from Aptean Driver Solution provides:

- Electronic signature capture
- Real-time updates
- Turn-by-turn navigation
- Driver location tracking
- Cash-on-delivery support
- Task list management

App For
DRIVERS
The ultimate delivery tool

That means a paperless way to navigate, prioritize, make adjustments and manage records in real-time.
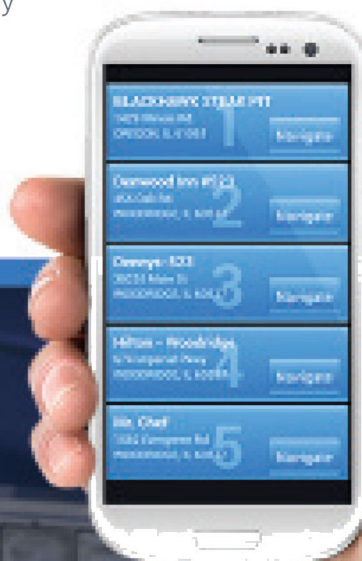

Manage The Route
- Scan the itinerary in stop order
- View customer names and addresses
- Get turn-by-turn navigation
- Integrate extra stops easily

Adjust The Quantities
- Confirm product quantities and make any necessary adjustments
- The system notifies and updates the home warehouse immediately

Record The Status
- Capture a timestamp at each critical point
- Includes arrival at each stop, docking at the door and completing delivery

Dashboard For
MANAGERS, SERVICE AND SALES
All customized to your needs

That means total visibility into drivers' locations, routes and ETAs.

Track The Trips
- Know where each driver is located in real time
- View their entire trip so far
- Check on past and future arrival times
- Customize the dashboard to your needs

Message The Drivers
- Send messages to drivers in route
- See messages from drivers
- Enhance communication and improve service

Accountability For
CUSTOMERS
Instant tracking and traceability

That means better, more reliable service.

Record The Transaction
- Customers sign directly on the driver's device to confirm delivery
- The signature is transferred to the invoice and immediately sent to the customer with accurate delivery quantities
- Every last case is accounted for, ensuring an extra step of traceability

DRIVERHOS
Fully compliant FMCSA ELD

That means a direct connection to the vehicle ECM in real time while maintaining integration with Produce Pro.

DriverHOS provides:
- Compliance with communication standards for roadside inspection
- Elimination of paper Records of Duty Status (RODS)
- Automation of records electronically
- Visibility into individual driver status

DELIVERY DRIVES YOUR BUSINESS.
